

COMFORT PLUS

Heat Recovery Wall Fans

H4CP >

H4CP ECM

COMFORT PLUS Heat Recovery Wall Fans work simply and economically, ensuring the comfort of your customers and your staff. **COMFORT PLUS** Heat Recovery Wall Fans heat the air coming from the outside.

Applications: For all types of entrances: convenience stores, supermarkets, warehouses, receiving docks, offices, retail surfaces, storage areas, etc.

Benefits:

- > Heat cold air coming from outside
- > Reduce heating costs by optimizing heat distribution throughout a building or a specific area
- > Reduce relative humidity
- > Quiet and efficient
- > Simple and versatile installation that allows the redistribution of ambient warm air in the building
- > Perfectly adapt to all commercial and industrial environments
- > Easy to clean
- > Ask us how **COMFORT PLUS** Heat Recovery Wall Fans can solve warm air stratification problems within your building
